INCENTIVE PROGRAMS

Airport Land Development Zones (ALDZ)

OVERVIEW

The Airport Land Development Zone (ALDZ) program was established to encourage and promote the creation of new jobs on land and buildings owned by airports within this Commonwealth, while accelerating economic activity at and around airports on undeveloped land or vacant buildings owned by airports that can provide new revenue sources for airports. The ALDZ program is an incentive-based tax credit program to foster development on this vacant land.

ELIGIBILITY

Approved businesses located with ALDZ designated acreage at Neighborhood 91.

FUNDING

\$2,100 per-job tax credit to approved business located within ALDZ designated acreage.

TERMS AND CONDITIONS

Tax credits may be claimed for up to ten years.
